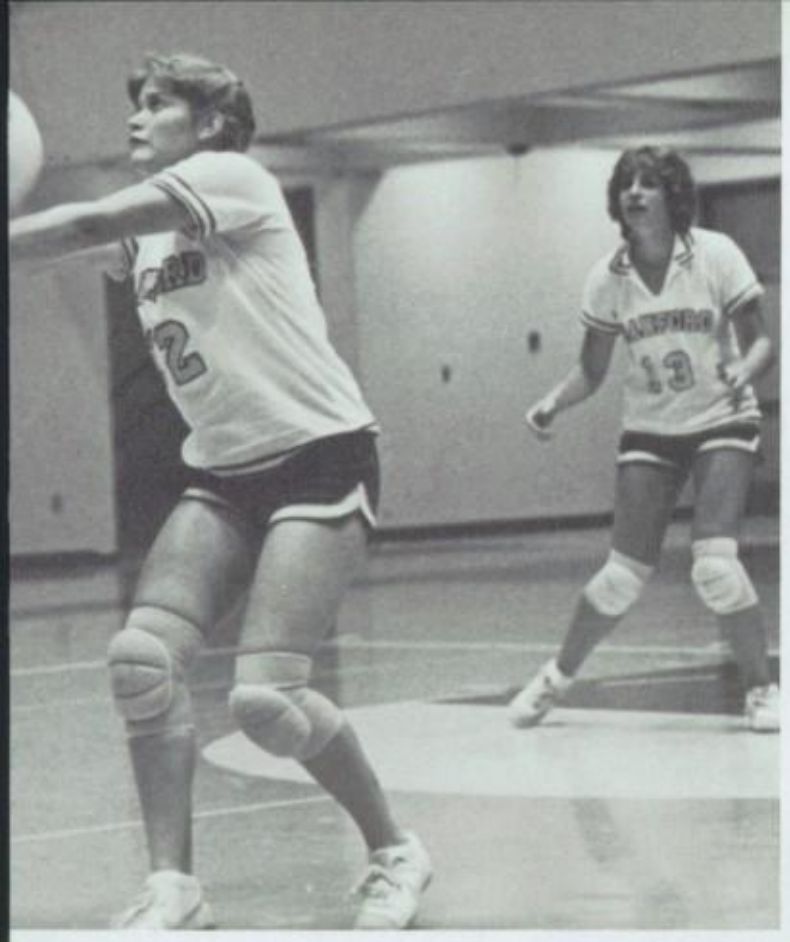
Standing in back from left to right are managers: Karen Breed, Alice Cunningham, Kristina Stringer, and statistician: Meg Lewis. Coached by: Nancy Roy (not pictured)



The 1981 Falcon volleyball team continued their winning tradition going undefeated in the Mid-Valley league and easily winning the District Championship. Their fifth place finish in the State Tournament was highlighted by a sound thrashing of Burlington-Edison, the team which eventually became the State Champions. The Falcons were the undisputed "Queens" of the Tri-Cities with an exciting first place finish in the Columbia High Invitational and convincing victories over the area high schools.

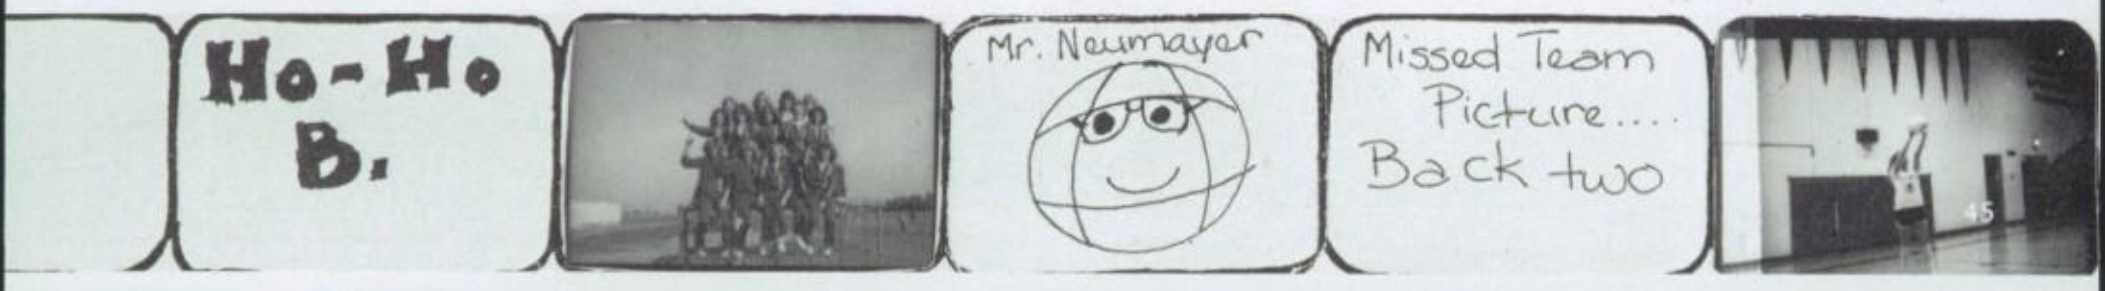
What A Great Team!

Hanford's junior varsity volleyball kept with tradition this year again winning eleven of their twelve games. Led by captains Monica Bloom and Chris Glascock, the Falcons showed their skill and talent. They played as a team, helping one another, both on and off the court.

Last year's prediction certainly rang true with this year's junior varsity volleyball team. We feel next year will be as strong as ever.



Top Row: John Walker, Greg Dixson, Brian Moyers, Fredderick Olsson, Tim Bloomster, Tom Niccoli, Don Schmid, Ken Merckx Bottom Row: Pat Dunn, Al Tang, Tim Crisp, Ken Fraley, Shawn Sillers, Andy Monko, Leon Angle, Mike Badalamente.

Over hill, over dale, from the wee morning hours till the dark of night the Falcon cross country team goes on.

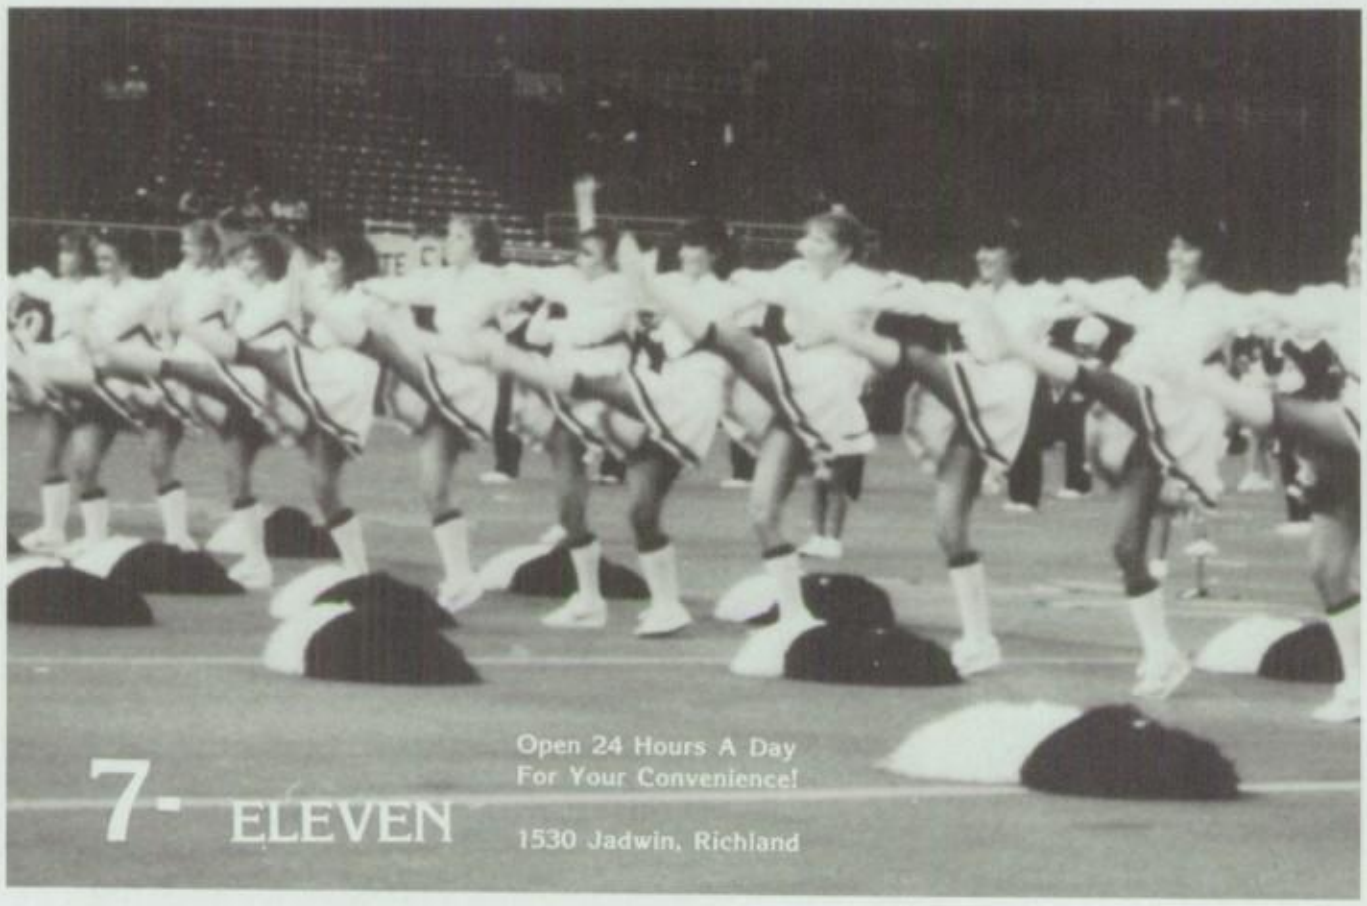
With Mr. Nix holding the whip the team goes through grueling daily practices. With Ken Merckx and Don Schmid as captains, the team gets hardly anything, oops, I mean a lot done.

As the season progresses, the slave driven sixteen managed to have a record of only 4 losses, making it all the way to Districts.

Neither rain nor sleet nor dead of night will keep our mighty Falcon cross country team from having a great season once again.

Kingdome!

The Big Band Blast was the best ever for the Falcon Band this year. We won in '80 for the first time. '81 saw us become the first marching band in the history of the Kingdome festival to win two years in a row. The pride of the falcon band, color guard and drill team was never so high. Being a top notch marching unit doesn't happen overnight. We started marching last August before school opened. By the time we finished football season, we had five half-time shows under our belts and less than a month until Kingdome. Mornings and afternoons were filled with marching, music, and complicated drills through November and the first week of December. It was a bit cold sometimes; everybody was tired, and the work was extremely hard.



The dedication and hard work paid off on December 4th. The loud speaker announcement went something like this: "And now, Ladies and Gentlemen; the ratings for Division III: Issaquah-2/Mariner-2/ Columbia River-3/ Enumclaw-2/ Shoreline-2/ HANFORD-1 . . . and the winning band in Division III is . . . HANFORD!!" And the walls came tumbling down inside the Kingdome. All 50 members of the Falcon Marching Unit went into hysterics. It was unbelievable how so few people could fill the 70,000 seat capacity Kingdome with emotional cries of joy and pride. . .

The performance for the B state championship game on Saturday was just one of the many bonuses the band received for all their work. The group was the best year at Hanford. And you know what? It will be even better next year.

LITERARY MAGAZINE

Mrs. Swedlund, Advisor

Given any Wednesday you are apt to find, huddled hysterically around potential masterpieces of literature, a group of stalwarts known as THE literary magazine. How can a group be called a magazine, when the magazine is called the Apocolypse? Who knows? The group also goes by names like; Liz Baker, Lyle Watson, John Storm, Stephen Badalemente, and Ray Whiting. The important thing is, they give this school a little class. (And a nifty magazine in the spring.)

Adding to the efforts first semester were Donnie Monk, Clarence Morrison, and Jim Riley. Second semester Rick Boes, Pam Foster, James LeDoux, Nicole Loudermilk, Greg Park, Kristie Riedeman, and Rob Rodgers also came in to work on the news paper.

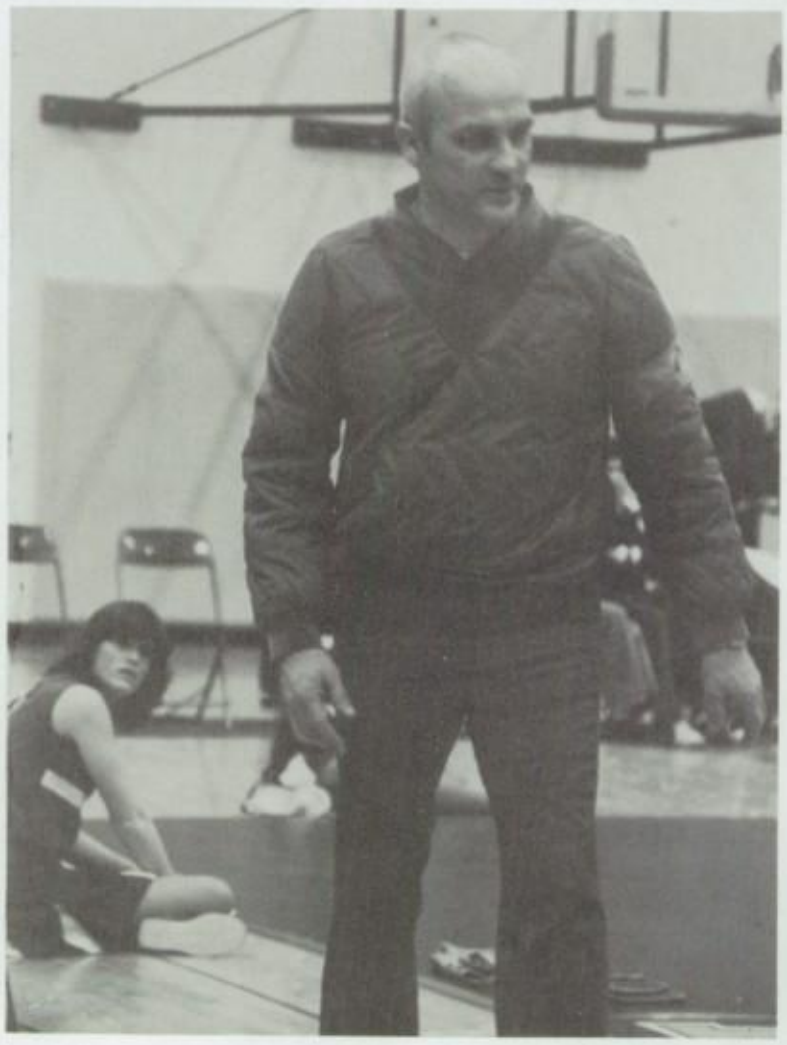
SURPLUS THE COACH

A Tribute To The Man Who Has Given So Much To Us All.



"Surp"

From "Surp" we learned the turkey wing
The cross-face and the double-leg
He taught us that we have to want it
Without wanting we will never get it
He stayed with us, yelled at us, yelled with us
Feeling our defeats and sharing our victories
Knowing all along that we could get better and would
Being frustrated in many ways but holding his belief
He changed a bunch of boys into a team of men
Forming a cohesive bond of teamwork out of confusion
Working with us, both on the mats and on our lives
Giving of himself in everyway, taking it to the max
A man is measured in the eyes of those who love him
His traditions have paved a path for those who follow
For all the times he laughed with us and cried for us
We say "Thank You, Surp" and wish you Good Luck.

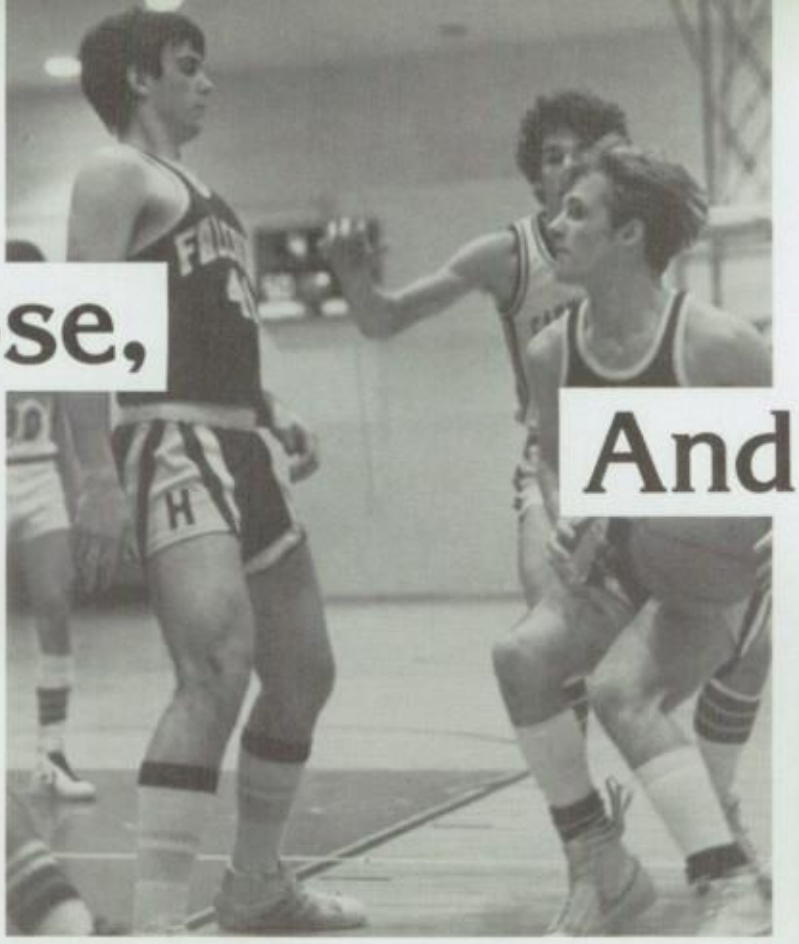
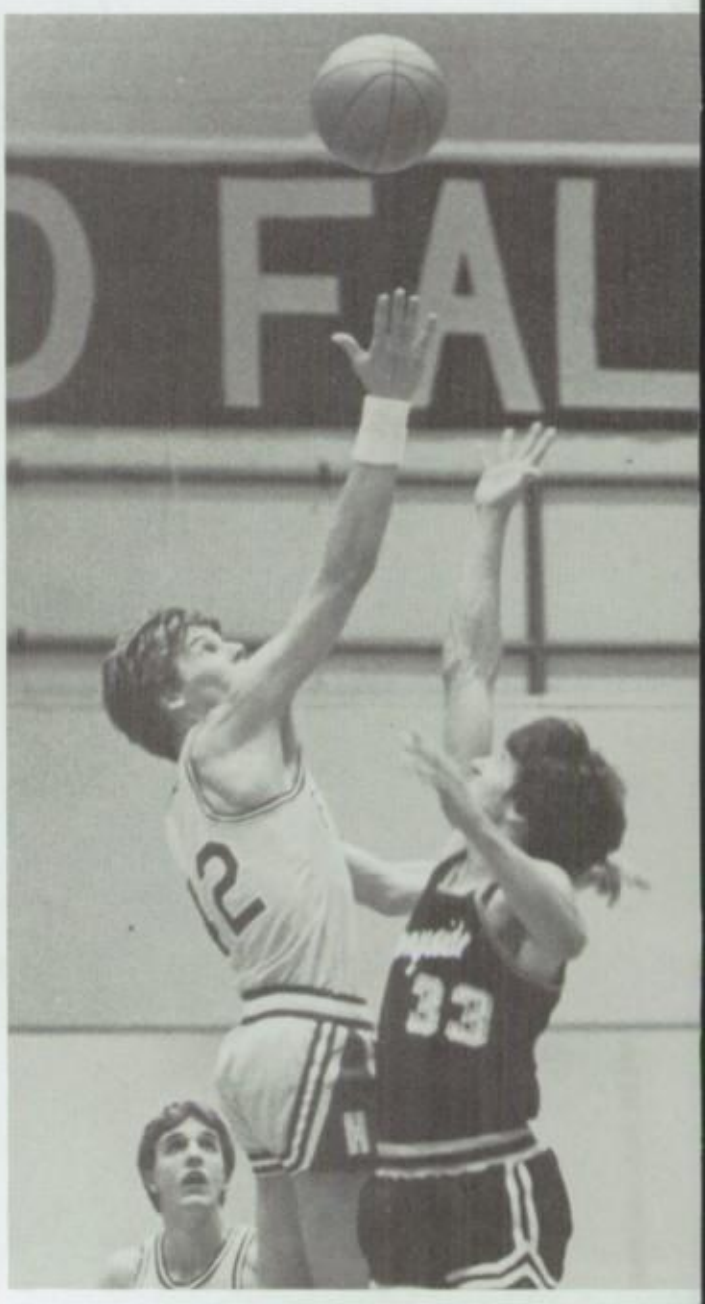
BOYS SOCCER

So Close, And Yet So Far





In the last seconds of the playoff game, the East Valley Red Devils scored, ending Hanford's '81-'82 Basketball season, hard fought, but over.

Hanford had stunned the Mid-Valley League by going undefeated in their first five league games, including the crunching of Toppenish (83-44). But the competition got tougher, and Eastmont dropped Hanford with a score of 57 to 50. East Valley squeaked by Hanford (67-66), while one basket made the difference in the close loss to Grandview (61-59).

The deceptive 9-7 final league record doesn't give a clear picture of the talent on the court, and Coach Wyatt maintains he is looking forward to next season, along with his four returning juniors.

oach Wyatt, Alan Carlson, Brett Meyer, Greg Huisingh, Tony Bright, Dan Saueressig, Kirk Johnson, Steve Hill, Richard Tuite, Dave Hastings, ob Tanner, Randy Holter, Matt Valett, Coach Hall.

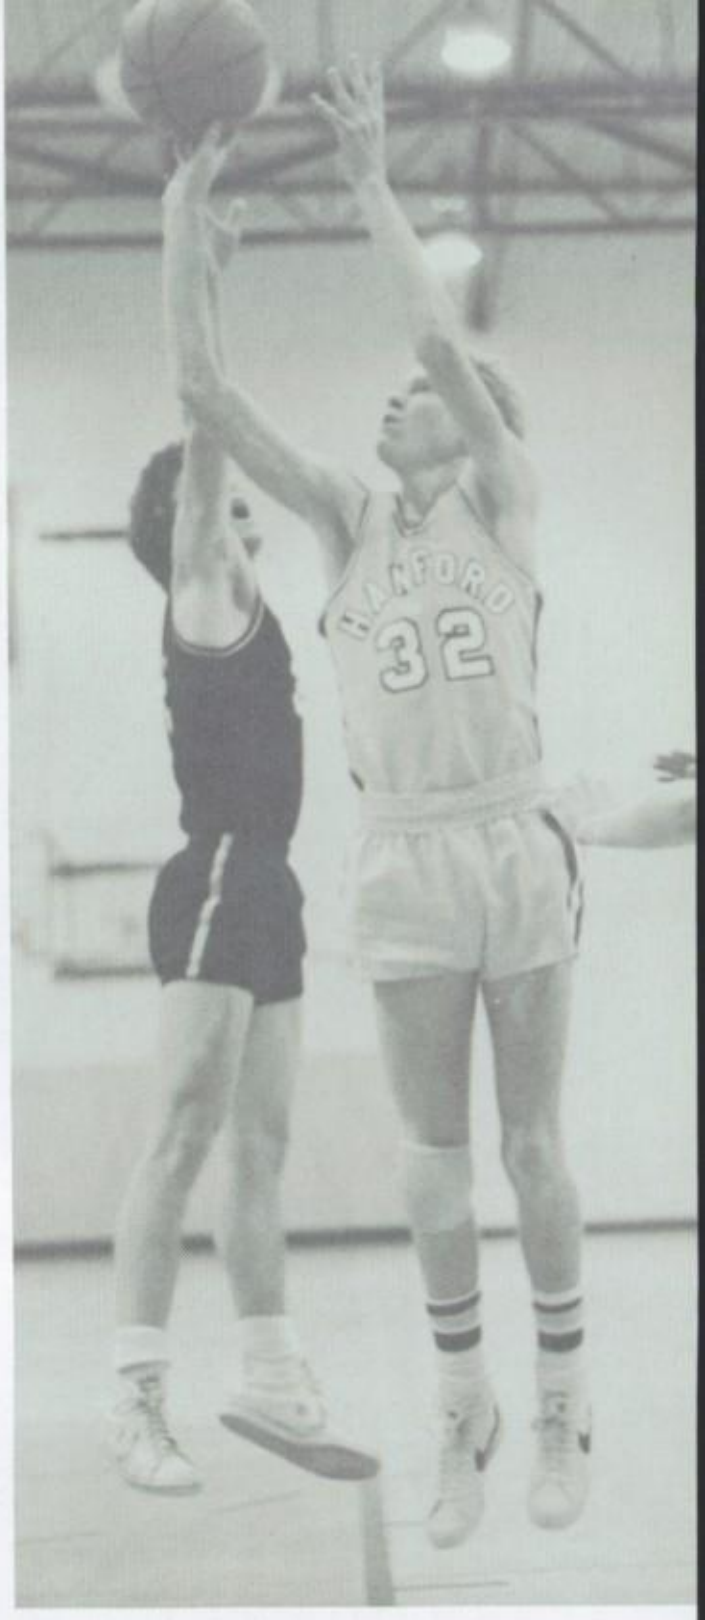
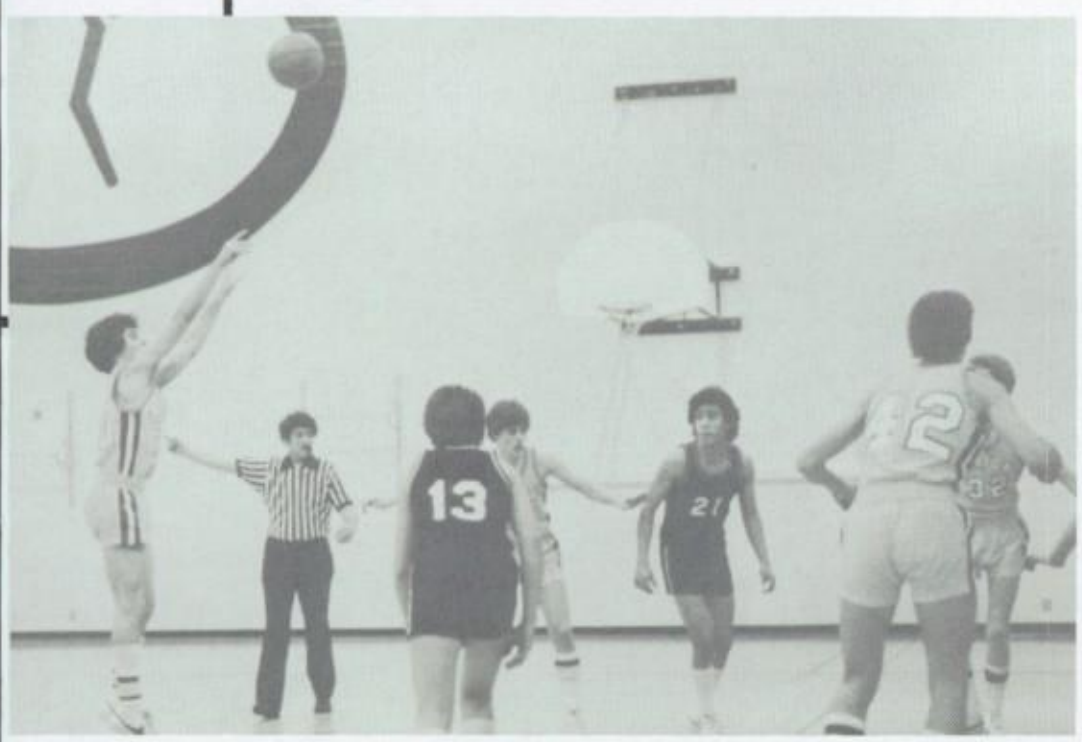
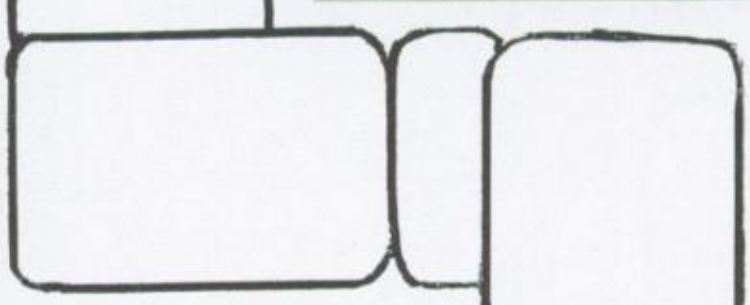
SOPHOMORE BASKETBALL







They did it again! For the fourth year in a row the sophomore boys' basketball team, under the coaching of Ken Whiting, is the mid-valley league champs. The "Super Sophs" of 1982 not only kept up the tradition, but started a new trend: For the first time, Hanford sophomores defeated Col High. With the great potential these "Super Sophs" have shown, there is no doubt that the 1983 junior varsity team will be just as great.

Varsity Girls' Basketball

The Lady Falcons finished Mid-Valley League play with an impressive 14 win-2 loss record. Pressure defense and a fast-break offense led Coach Murphy's Falcons through the District tournament with a second place finish by defeating Wapato 46 to 39 in the last game before regional play in Spokane.

In game one at regionals, Hanford defeated the Frontier Leagues' runner up Cheney 67 to 40. One more win over Clarkston would put the Falcons into the State tournament for the fourth year in a row. In the Clarkston game, Hanford held a one point lead at half time, but a cold third quarter hurt the team's momentum and they lost the game 39 to 37. It was won by a last second shot by Clarkston.

Once again the Hanford girls' basketball program was one of the best in the state with a 21 win and 6 loss record. We had many team accomplishments as well as individual ones. Marlene Price was the only junior in the Mid-Valley to make the first five all conference team and selected as the Athlete of the Week. Senior Jerri Dionne made the second team all conference and junior Mary Ann McCord made honorable mention.

We graduated 3 Senior starters and they will be missed by all of us, but we have hard-working people returning that will continue to keep the winning tradition alive and to keep the Hanford Girls' Basketball Program one of the best in the state.

This year, the Hanford Drill Team had the big responsibility of hosting Drill Team State '82. 1500 girls from 62 teams scattered all over the state camped out in motels throughout the Tri-Cities. Our advisor, Mrs. David, with help from the team & their families, worked long hours to schedule teams, order T-shirts, & also make banners, programs & certificates. Team members also helped out by making signs for each team & hanging them up, showing teams around, & folding & stapling 2500 programs by hand(!) It was a tiring, but unforgettable event.

Memories: "Hit Me With Your Best Shot", those great dinner parties, freezing a— at halftime, big & little sisters, "Splish Splash", Kingdome (numero uno!) AND of course STATE.

DRAMA

ACTING IS THE MOST IMMEDIATE ART OF ALL. THE AUDIENCE IS EITHER CAUGHT UP ENTIRELY OR NOT: IT'S EITHER NOW OR NOTHING.

IT'S THE WAY TO GET OVER A DEEP INFERIORITY COMPLEX. BEING ON STAGE, YOU BECOME ANOTHER PERSON AND SHED YOUR OWN FRIGHTENED PERSONALITY.

ACTING GROWS FROM WITHIN, OUTWARD.

WE CAN TELEGRAPH AND TELEPHONE AND WIRE PICTURES ACROSS THE OCEAN: WE CAN FLY OVER IT. BUT THE WAY TO THE HUMAN BEING NEXT TO US IS STILL AS FAR AS THE STARS. THE ACTOR TAKES US ON THIS WAY.

THE TEST OF A REAL COMEDIAN IS WHETHER YOU LAUGH AT HIM BEFORE HE OPENS HIS MOUTH.

THE PERSON WHO DOES NOT GET THE LEAST BIT NERVOUS AT THE PROSPECT OF STEPPING ON A STAGE WILL NEVER MOVE AN AUDIENCE TO WILD ECSTASY.

IN EVERY ACTOR YOU'LL FIND SOMETHING OF THE MISSIONARY — THE FEELING THAT HE MUST GET HIS MESSAGE ACROSS TO EVERYBODY.

AN ACTOR IS A SCULPTOR WHO CARVES IN SNOW.

The 1982 tennis season was a rebuilding one for both the boys and girls. The boys team was led by junior Lonnie Flowers who had an outstanding league record of 9 wins and 1 ooss and represented HHS at the state tourney. The senior doubles tandem of Alan Carlson and Scott Clinton turned in a solid 5 win-3 loss mark in league. This year's boys squad earned a 4th place finish in the tough Mid-Valley league.

The girls' team was anchored by the second doubles competition of Juniors Brenda Ranson and Ginny Alleman who finished league play with a sparkling 9 wins - 1 loss record. Seniors Laura Watt and Robin Calvert had a fine record of 6 wins and 4 losses at first doubles.

I have enjoyed working with this years' team very much. They are very nice people who are trying very hard to improve. We have an outstanding crew returning next year and hope to add another league championship trophy to the trophy case.

You Have To Be Great When It's Tradition

Not only was the '82 baseball team the youngest team in Hanford's history, consisting of nine seniors and seven outstanding sophomores, it was also the flakiest. But that didn't keep them from taking the district championship.

Beating the Eastmont Wildcats, last year's AA State Champions, twice in one week behind the strong pitching of Kevin Shea and the excellent team execution both offensively and defensively, was only the start of a great season.

The Falcon team fell only once in league action to Othello and then came back to annihilate them in a 5-0 shut out to take the league pennant.

Tournament brought about a fired-up, peaking ball club, ready to meet a hot West Valley team. Scoring the deciding run in the bottom of the sixth inning from a deep center field hit by Mike Elsen, Mike Bentley loped from second base to score. They held them to a 3-2 in the top of the seventh to go on to the district finals.

It should have been tough. Selah, saving their ace pitcher to avehge last year's district loss, didn't have the might to overcome Hanford's momentum. With near perfect execution at the plate and strategic pitching by sophomore Dan Saueressig and senior Buster Barott, Hanford clobbered Selah 7-2 to win the first District Crown in Hanford baseball history.

Pride and determination — that says almost everything, but for most on the team, that leaves out the one element that the 1982 baseball team, flaky as they were, lived up to — TRADITION.

The warm and sunny weather was something totally different for me when I arrived in Richland last August. Warmth and friendliness among the people also made me feel welcome from the very first day. I can hardly believe how fast time has passed, and how many things I have learned during this year. Most important, I discovered that people are no different just because they happen to have a different skin color or different customs. My gratitude to all of you for giving me the best year of my life cannot be expressed in words. I will always keep the memory in my heart, for how could anyone forget?

Love always, Fredrik Olsson

Cecilia Campos-Cuellar

I can still remember the first day of school when I didn't know anybody. I came to a different country, with different people and different customs. I felt really lost. But then, I started meeting people, making friends and having a great time with all of them. A lot of hard moments look insignificant to a lot of wonderful moments that I've had. Now I'm leaving, I'm going back to my country, but I feel that I've met a lot of "great" people. And I have so much to share . . . Now, I just want to say that this year will mean a lot to me, I'll never forget it. Thanks for being my school and my friends.

Gracias, Pilar Arbonies from Spain

Falcons in my eyes are No. 1. I could never express in words the friendship and kindness you've all shown me during my year. I came to a school loaded with spirit — and experienced everything from grid-iron homecoming to baseball and pep rallies. Most things new and exciting. The people here are great, it's hard to believe just how fast it's all gone. As they say "leaving is the hardest part." My year has been filled with many beautiful moments and some not so beautiful moments but they've all added together to a year of excitement and many memories I'll never forget. This year will live in my heart always — thanks Hanford.
